TRAVEL REFERRAL PROGRAM DESCRIPTION

Thank you for joining our Travel Referral Program. This program is a "one of a kind" program operated by Personalized Services International (PSI), LLC.

Make Money While You Travel. Earn Commissions on Vacations. Travel Referrals for Cash, and Cash for Referring Customers are all ways we reward our customers and independent contractors for entrusting their friends, family and social groups to us via a formal referral program. We are eager to earn your trust and send your referral off on an exciting vacation.

You get paid 25% of the commission we make on booking your vacations and those travel referrals we receive from you. These payments are based on what we receive from the providers of travel; the airline industry does not pay commissions, this is not included in this program. However, we will book airline tickets as a courtesy for our customers. This improved program allows the individuals to self refer and receive 10% of the commission payments we receive, when you purchase a vacation package from us (Hotel, Flight, Rental Car or Tours), but to take advantage of this awesome opportunity and refer others, **you must join this FREE program.**

To join the program you agree to us issuing you an IRS 1099 at the end of the tax year, so you must sign an application and complete a W-9 form. Commission payments are paid on the 21st day the month after the referral has traveled.

Feel free to contact us at Personalized Services International Travel Agency: 1-866-774-4077 or E-mail CS@yourpersonalizedservices.com. To eliminate any type of fraud, you can only join this program as a contractor by completing the required application.

This program is great for Wedding Planners, Social Groups, Churches and Stay-at-Home Parent(s). We welcome and challenge you to become the best referring contractor in our program.
